

“Our Key stage 3 curriculum is well matched to students needs and aspirations ensuring that all student achieve their full potential”

The Curriculum:

- Builds on student’s attainment at key stage 2 and provides opportunities for catch up where there are gaps in knowledge and skills.
- Is underpinned by principles of lifelong learning and literacy
- Develops oracy and team work as part of the project based learning curriculum
- Provides opportunities which enable students to develop their specialist talents and interests across all areas of Academy life
- Prepares students for the challenges of the key stage four curriculum.
- Is inclusive and support of all students needs and aspirations.

The curriculum provides opportunities for students to develop key skills which enable them to become:

- Effective communicators
- Independent learners
- Team workers
- Creative thinkers and doers
- Reflective learners
- Self-managers
- Confident participators
